Hallie Smith	who tends to come to you as clients?
Nick Andreotta	Who would you like to reach that you have not been able to?
Hallie Smith	first step - find your just right client.

Carrie Gajowski Nick Andreotta	I just wrote you back on the QA window.
NICK Afforeotta	HI Mary!
	HI! I'm a new provider but experienced teacher in private
	practice. This summer is about me piloting FFW to a small
June Starkey	select group of students who I know well.
,	<u> </u>
	Where do your clients spend time? Define two different
	clients: the student and the parent. You're mraketing to a
Hallie Smith	parent.
	Great, June. How did those clients come to you? ARe you
Hallie Smith	looking to grow and continue in the fall?
Luna Ctarkov	VES Lam going to continue, with tooching and with FEW
June Starkey June Starkey	YES I am going to continuewith teaching and with FFW YES growing!
June Starkey	YES loving FFW
June Starkey	Sure :)
June Starkey	Sure .)
	Students between 5 and 18, generally who are struggling with
June Starkey	reading/literacy.
,	Some have diagnosis of APD (CAPD in Canada) and some
June Starkey	don't.
Hallie Smith	how did those clients come to you, june?
L'Ila Massall sa	
Lila Macaluso	Of course the best way is client referral

English and Library	Marlene has been around for some time and so she already had an established client base. Good points you are bringing
Frances Litman	up. I need to ask her how she initially reached out to them.
June Starkey	through my website, word of mouth referrals, facebook :)
June Starkey	YES, absolutely!
Mary Barry	It's been very difficult to compete with companies that purchase site licenses and offer FFWD at a competitive price.
Hallie Smith	what do you do on your website - is it specific to a local area? care to share the URL?
Frances Litman	We have been putting on free public talks, using FB, social media, attending networking functions, keeping website active and up to date, flyers.
	My area has a parent magazine that is marketed to local
	physicians, etc. I have a 1/4 page ad that is really working for
Lila Macaluso	me.
Deborah O'Sullivan	Frances, what venues do you put on free public talks?
June Starkey	Parent magazine sounds great!
Frances Litman	Public libraries, rec centers
June Starkey	http://www.joyoflearning.ca
Deborah O'Sullivan	Thank you, Frances
Francos Litmon	We tried a parent magazine several times and nothing came from it
Frances Litman	It's actually awesome and gives me a chance to market to my
Lila Macaluso	key ages
Nick Andreotta	Nice Lila!
Nick Andreotta	Thanks June!
Nick Andreotta	Frances welcome!
	I host Parent Information Sessions in the evenings - with Q&A
Lila Macaluso	along with info

Frances Litman	Thanks Nick and all
	I need to update my website to advertise the FFW element of
June Starkey	my practice
Daharah OlG III aa	Lila, where do you host the parent info sessions? I was
Deborah O'Sullivan	thinking of our public library
Lila Macaluso	That works, but I host them in my clinic
June Starkey	very cool :)
Julie Starkey	very coor.,
Deborah O'Sullivan	Great idea, Lila!
	Marlene has been trying to get into the schools and attending
Frances Litman	conferences and putting herself out as a speaker
	Private schools in my area has been more receptive than
Lila Macaluso	public schools
Lila Macaluso	Oops "Have been more receptive"
Deborah O'Sullivan	Agree, Lila.
Lita III a Castilla	Great suggestion: make sure you're showing up on google
Hallie Smith	maps in your area.
June Starkey Hallie Smith	Deborah, you're in Toronto, right?
name Smith	thru a regional search.
	I even offer a mini lab in one private school so that parents
Lila Macaluso	don't even need to travel to my clinic
Hallie Smith	claim your business on a map.
Hallie Smith	great idea, lila!
Lila Macaluso	Watch out for YELP
Ziid ividodiaso	Just northeast in Stouffville I am at
Deborah O'Sullivan	http://www.auditorypathways.ca
	I had a negative comment on that site for years without even
Lila Macaluso	knowing it
Hallie Smith	google your business and claim your business!
Lila Macaluso	With no way to refute the comment
Deborah O'Sullivan	Thanks for the Google tip, Hallie!

June Starkey	YES! Brilliant suggestion!
Hallie Smith	Flyers - where do you put them?
	not sure how to claim the businesswhen I google me, I
Deborah O'Sullivan	getMe!
Hallie Smith	there's a business that will show up on the right.
Hallie Smith	(sometimes)
Hallie Smith	what's your business name?
Hallie Smith	nevermind! aud pathways, i see it
	We're doing these things but it's not bringing in enough
Frances Litman	people
Frances Litman	What are mini labs?
	My company is THE READING LAB, so we call their site a "Mini
Lila Macaluso	Lab"

	The trouble with YELP is that I had current satisfied clients
	who wanted to add their positive comments but were denied
Lila Macaluso	because they weren't frequent YELP usersjust saying
Halle Carle	F
Hallie Smith	Frances - is marlene going to private schools?
Hallie Smith	audiologists?
Hallie Smith	YELP isn't a perfect tool, that's for sure.
Frances Litman	She is but needs to expand on that
I Tallces Littlidii	Sile is but fields to expand off that
	Folks for some reason I've lost audio. I'm going to go off-line
June Starkey	and try to figure this out. :) See you soon.
Hallie Smith	try a quick refresh!
Haine Silliui	I am frequently asked to do teacher inservice training at
Lila Macaluco	
Lila Macaluso	private schools

Hallia Cmith	Door marlone have a local business listing?
Hallie Smith	Does marlene have a local business listing?
Hallie Smith	Great, Lila! YOu're already recognized as a thought leader.
Frances Litman	Not sure about audiologists.
Camia Caiavvali	If you lose audio during the session, try refreshing your
Carrie Gajowski	browser.
	Appendictable the board that audialogists are good referral
Lualita Castila	Anecdotally, I've heard that audiologists are good referral
Hallie Smith	sources for APD
	Frances, any questions about audiologist, I might be able to
Deborah O'Sullivan	help as I am one!
Frances Litman	Good to know. I'll ask her
	We've been working together for about a year and Marlene
	originally was trying to blanket the province. Her goal was to
Frances Litman	reach as many people as fast as possible.
	I've been encouraging her to use the leads and network she
Frances Litman	already has and do really well with one school.
	Timing is critical with marketingaround state testing, report
	cards, etc. Targeting getting ready or getting skills repaired
Lila Macaluso	when already facing low scores.
Frances Litman	Got a 404 error on the Google link provided
	Let parents know how our solutions differ from traditional
Lila Macaluso	tutoring
	Do any of you find that private clients who are FFW clients are
	permitted to complete the daily work at school (Ontario
Deborah O'Sullivan	schools in question).
June Starkey	the "refresh" worked! Thank you!
Hallie Smith	I have heard of that for sure, deborah
	I think the content follows the Ontario curriculum somewhat
Deborah O'Sullivan	nicely.

Hallie Smith	Late Sept/October is a hugely popular time for parents to seek services.
June Starkey	Yes, Deborah. Here in Toronto for sure that happens. In many independent schools and also in some public schools. You?
	June, I am somewhat new and trying to find myself as a FFW
Deborah O'Sullivan	providermostly I test for APD.
Hallie Smith	simple wins!
	get prospects to your site by outbound marketing - then use
Hallie Smith	simple, broken up text - to encourage them to take action.
Traine Simer	simple, broken up text to encourage them to take action.
	Many people are using their handheld devices for online
	searching, so optimizing for mobile devices and simple content
Deborah O'Sullivan	is helpful.
Hallie Smith	(advertising, talks, etc.)
Hallie Smith	yes! great point, deborah.
Dylan Hendricks	To put it simply, your website is your brand.
	Very cool Deborah :) I am in the midst of a website overhaul at
June Starkey	the moment.
June Starkey	I agree Dylan!
Hallie Smith	Client nurturing system is hugely important! Build trust.

Hallie Smith Hallie Smith	keep them informed of your services
name Simul	you're the expert!
	I've had conversions from follow-up emails that are 'just
Lila Macaluso	checking in to see how it's going'
Hallie Smith	great!
	timing is everything, as you've said. and personalized
Hallie Smith	outreach, as well.
L	,

	To be honest, the thing I most need is peer-reviewed
	literature. There was a study that was posted via Facebook
June Starkey	earlier this summer. I really appreciated that.
June Starkey	Email is great way to keep people engaged, but also to
Dylan Hendricks	reengage.
- 7.0	
Hallie Smith	Great, JUne! We can keep sharing those on the Provider page.
Hallie Smith	on FAcebook. Are you on there?
Deborah O'Sullivan	Agree with you, June.
Hallie Smith	Are you familiar with the Ylinen meta-analysis?
	Lovely, thank you. Yes, I'm on fb. Love that. Love that it's
June Starkey	closed as well.
June Starkey	No I don't think so
Deborah O'Sullivan	A closed FD group? Chould join
June Starkey	A closed FB group? Should join It's fantastic.
Julie Starkey	it s failtastic.
Deborah O'Sullivan	Is it Scientific Learning or Fast ForWord?
Hallie Smith	Yes, Deborah! Y ou must join!!!
Hallie Smith	Fast ForWord Provider Group
	·
Deborah O'Sullivan	Thanks, Hallie!
	here's a piece of research that I love: Ylinen, S. & Kujala, T.
	(2015). Neuroscience illuminating the influence of auditory or
	phonological intervention on language-related deficits.
Hallie Smith	Frontiers in Psychology, 6.
Frances Litman	Wonderful marketing kit. Thank you for preparing this.
Hallie Smith	https://www.ncbi.nlm.nih.gov/pmc/articles/PMC4330793/
June Starkey	This marketing kit is fabulous! Thank you!
Lila Macaluso	Just a small version of my clinic held in the school

Lila Macaluso	Using a teacher that I train as FFWD Coach
June Starkey	Thank you so much, Hallie! Fabulous!
Nick Andreotta	Thank you Lila!
	Mini labs are held after school and sometimes during the
Lila Macaluso	schoolday
Hallie Smith	Do you use them ever as a marketing tool pre-purchase?
	tutors rarely work on foundational skills - work with parents to
	help them understand that ffw gets to the root causes of
Hallie Smith	difficulty.
Lila Macaluso	No I sell them a license that I oversee
Hallie Smith	i see.
June Starkey	Agree 100% Renée!
Lila Macaluso	I stress that unique difference
L'ila Nassal sa	
Lila Macaluso	Let's talk about meeting the financial needs of our clients
	Someone posted a super lovely video on the fb group about
	motivating their studentsloved that! Would love to chat
June Starkey	about practical ideas about client compliance.
Julie Starkey	about practical facus about elicit compilatice.
Lila Macaluso	I have to offer different payment plans for my parents
	1 / 1 / /
Lila Macaluso	In my area we're suffering from layoffs
Lila Macaluso	Our local economy is really down
Lila Macaluso	I make them sign an agreement
Lila Macaluso	that if they cancel they owe me a % of the balance
Lila Macaluso	I agree to get a hefty payment up front
June Starkey	I have been finding that as well.
	I have always given full or partial scholarships when needed,
Lila Macaluso	but refuse to market just to the wealthy
Lila Manada a s	
Lila Macaluso	Many of my clients learn to reach out to grandparents, etc

Kim Delaney	I am a new provider and am trying to decide how much I need to charge. Is anyone willing to share a range they typically charge? And what does this include beyond the lic?
Hallie Smith	June - I'm not sure we'll have time to get to compliance here, but i bet others will chime in on the FB providers page.
Hallie Smith	We also talked quite a bit about it on our first Rapid Fire a couple months ago. Might wannt to listen to that one- let me check on the link for that.
Deborah O'Sullivan	Kim, I try to be competitive with the FFW offers online as parents can simply go online to get help through Scientific Learning
Lila Macaluso	Laughing, I have current client who held my ad for 4 years and then came back to me to enroll their child when they could afford it
June Starkey	I agree about affordability, Lila. My practice works on my firm belief that those who can pay more, should pay more (and they get platinum perks for that), and that allows me to help those kids who are not able to afford.
